Vice Presidents Report:

- Lunch issues – the 'wall' is for kids who are misbehaving and not making good choices it is considered a timeout. No child is being denied lunch, they are able to finish their lunch and then are put on the wall. A 'silent' lunch is not for the entire lunch period this is for the last 2–3 minutes, they do not spend the entire lunch in silence and there are several warnings given before they are told to be silent. The kids do sing at lunch and we have trash patrol, table troopers, etc and treats are given when they do things to help out in the lunchroom. The 3rd thru 5th grade lunch kids are receiving detentions if they are placed on the wall or misbehaving.
