2. Treasurer

- Motion made to approve November and December 2014 ledgers. Motion carried.

3. Principal

- Teacher work day moved from Friday 1/16/15 to Tuesday 1/20/15 due to snow days and to keep consistent with the high school and EHSO students. The Family Science Night will remain on Tuesday 1/20/15 since the staff will already be at school and The Imagination Station was already scheduled.
- Looking at possible improvements for the school that PTO could help financially support.

Marquee:

1. Harmon Signs and Toledo Sign are TPS recommended local vendors. Prices range from \$16,800-\$26,650 depending on one or full color and on vendor.
2. Stewart Signs is not used by TPS, does not install, located in Sarasota, FL. Price range is \$13,032-\$18,952. Questions raised: Will TPS install this? What about maintenance?

Cafeteria Windows

1. Elden Drapery Quote: \$9,230 for draperies (would be bulky and take up space). Could not do blinds due to size and shape.
 2. Plan made to look for other quotes and for PTO to possibly focus on financially supporting this endeavor first and then focus on marquee.
- A video by the Ohio Leadership Advisory Council was shown about Teacher Based Teams in Action. This was to give more insight on TBT and what teachers are doing during their scheduled 2hr delays. To learn more, go to www.ohioleadership.org
