CALL TO ORDER

Jennifer Fulop President called meeting to order at 6:31PM

Pledge of Allegiance

Dana Quick, Parliamentarian, reviewed the Beverly PTO Meeting Procedure and explained that we loosely follow Robert Rules of Order so to keep order but not to impede the flow of discussion.

APPROVAL OF MINUTES

Dana Quick motioned to approve October minutes. Lisa Hilmer seconded the motion. Motion carries.

PRINCIPAL REPORT-Matthew Rowley-

Beverly will be implementing the Recess Pilot program in the near future. We will need approximately 10 adults to be Recess Monitors. This is a paid position, not volunteer. Recess Monitors may not bring younger siblings with them. The hours are approximately 11:45AM-1:25PM Recess Monitors will be given background checks and training. Some things that are still being discussed are weather limitations. If you know anyone who would be interested in these positions please contact Mr. Rowley. The Blood Drive is coming up on Monday, Nov 21st, please come and donate blood. Lastly we will be accepting donations to the Old New Boys in December. Beverly had the highest donation last year and we also had a few families who benefited from this organization in times of need.

PRESIDENT REPORT- President Jennifer Fulop

Volunteers are needed to chaperone the Harvest Dance. We are in need of volunteers for Santa Shop which include set up, clean up, and vendors. We are also looking for volunteers for Basketball.

FINANCIAL REPORT- Treasurer- Jennifer Fulop in place of Stephanie Milem-Grant

We are still working on figuring out the best report to provide with the new system.

Paul Chasco motioned to approve the October ledger. Julia Huguelet seconded the motion.

Discussion: Would it be possible to get a second report that showed where the money is being allocated since it is not broken down on the current report. Not in favor of this style report because there are not enough details. Footnotes would be great and deposits should be more detailed. Could we possibly find a way to get the detailed 10 page report out to everyone i.e. print, scan, and upload as a pdf to the PTO website.

Motion carries.
