Developing the Leaders of Tomorrow

Greetings Beverly Families,

As we enter the month of March and the coming of Spring, we will begin Ohio State Testing on the AIR testing platform, and paper and pencil for 3rd grade English and Language Arts (ELA). We also will be starting up recess, depending on playground conditions and weather.

Students in 3rd - 8th grades will be taking assessments in ELA and Math, and students in 5th and 8th grades will also be taking an assessment in Science. Please look out for communications from your child's teachers in regards to what dates they are testing. It is extremely important to make sure your child has a good night of sleep and a healthy breakfast prior to testing.

Please make certain that your child is prepared to be outside for recess for 15 minutes each day. As it is still quite cold outside, please remember to have your children bring coats, hats, and gloves so they will not be cold at recess. We will be starting recess on Monday, March 2nd.

The safety of our students and staff members continues to be the number one priority for Toledo Public Schools. We want everyone to be prepared in case there is an emergency involving an outside threat.

In the coming weeks, all TPS schools will participate in a safety drill that utilizes the ALICE response model - Alert, Lockdown, Inform, Counter and Evacuate. ALICE is based on the premise that information and proactive training are the keys to surviving an emergency situation, such as an active shooter event.

All schools will participate in an ALICE drill in the coming weeks. These organized exercises, led by the Department of Public Safety, are much like fire and tornado drills and focus on helping everyone know how to react during a specific safety-related situation.

Parents, we ask you to talk with your student(s) about the importance of holding these type of drills and reassure them that the drill is for their safety and that the school day will resume once the drill is successfully completed. If you have any questions or need further information, please email me.

We are also having the Scholastic Book Fair during the first week of March. Please read more about it in the newsletter.

Thank you for your support!

Coleman's Corner...

Spring is just around the corner...do you know what that means? RECESS! Our recess program begins March 2, if weather permits. Recess is the time of day that generates the most office referrals and many visits to the nurse. Please remind your child of our three R's: respectful, responsible and ready. Also, a conversation about sharing equipment, kind words, and keeping hands and feet to one's self would help to ensure a safe and enjoyable recess experience!

Office referrals have increased at all grade levels. Hopefully, with the start up of recess, students will be able to blow off steam on the playground, instead of the classroom. Many of our referrals are for failure to follow directives or classroom disruption. We are attempting to keep suspension levels down and have implemented "community service" as a potential disciplinary consequence.

Several people are still parking in the Glanzman lot at drop off and pick up. The Glanzman lot is only to be utilized if a parent is entering the building for official business. All students should be dropped off on the Detroit side of the building. Parents of kindergarten and first students may park in the lower parking lot for dismissal/pick up. Also, many parents are parking in the Urgent Care lot. Please refrain from parking there, as our parents are filling patient parking spots.

There have been several questions regarding Beverly Athletics. Please attend the Athletics Forum, March 19, where discussion about our program will take place.
