THE BOBCAT BUGLE'S BACK!

Have you heard of the Bobcat Bugle? Well, it is a newspaper that was started last year by Kaylin Pickett, Lauren Albright, Kylie Albright, and Grace Ruggiero and is continuing this year. With some help from Mrs. Schoonmaker, we got it edited and approved. This newspaper is by kids, for kids, and the purpose is to inform kids about events they don't always know about. We also included fun comics, jokes, and a recipe or craft you can try on your own. You can contribute to the next edition by writing an article or helping out with another section. To submit your articles, send them to cschoonm@tps.org and we'll try to get them in our newspaper. We hope you'll enjoy The Bobcat Bugle!

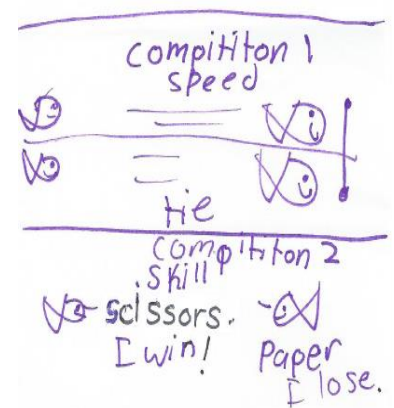

What do you call a witch who lives at the beach?

A Sand-witch!

Election Day

As many know, Tuesday, November 8th is Election Day. On that day, our country will vote on their next president. Elections for presidents are held every four years. For this year's election, the candidates are Donald Trump and Hillary Clinton. Did you know that in the first elections, only white men were allowed to vote? Today though, everyone in America, over the age of 18, can vote. People are not required to vote, but it is a really good thing to try to do to help decide who should be president, mayor, or any elected official.

Fun Walk

The Fun Walk is a fundraiser that takes place on October 7. The school goes out and asks friends and family to donate \$10 or whatever amount they chose per lap. The reason we do the Fun Walk is so that we can earn enough money for fun things, like the playground last year. The class with the most money earned, gets a pizza party. Every year, we have a different shirt, and they are always a surprise. The Fun Walk is Beverley's biggest fundraiser.

Random Fact

Skittles were first made commercially in 1974 by a British company. They weren't introduced to America until 1979.

**Thank you Ava Salts for sending us your random fact.*
