Family Partnership**

The Family Partnership Campaign is a way for family and friends of Girl Scouts to invest in our ability to bring the life-changing experience of Girl Scouting to all girls.

By giving to Family Partnership, you are helping girls explore their passions, learn about archery, travel to other parts of the country, or learn just how special they are.

Each gift is important and 100% of your contribution supports the work of Girl Scouts of Western Ohio. You ensure every girl in our community who wants to take part in Girl Scouts is able to do so.
